

vec3::reNorm

SpaceH::PostNewtonian
::operator()

```
graph RL; A[SpaceH::PostNewtonian::operator()] --> B[vec3::reNorm];
```

The diagram illustrates a function call. On the right, a white rectangular box with a black border contains the text "SpaceH::PostNewtonian" on the top line and "::operator()" on the bottom line. A dark blue arrow points from the left side of this box to the right side of a gray rectangular box with a black border on the left. The gray box contains the text "vec3::reNorm".
